Sir:

Your petitioner, Iiconova Inc., a Utah corporation, having a principal place of business at 915 Overland Street, North Salt Lake, Utah 84054, by and through Dana L. Petitioner hereby disclaims the terminal part of the statutory term of any patent granted on the above-identified application which would extend beyond the expiration date of the full statutory term, as presently shortened by any terminal disclaimer, of prior Patent No. 6,346,069 as the term of said prior patent is defined in 35 U.S.C. 154 and 173. any patent so granted on the above-identified application shall be enforceable only for and during such period that it and the prior patent are commonly owned. This agreement runs with any patent granted on the above-identified application and is binding upon the grantee, its successors, or assigns.

Petitioner does not disclaim any terminal part of any patent granted on the above-identified application that would extend to the full statutory term of the prior patent, as presently shortened by any terminal disclaimer, in the event that any said issued patent later: expires for failure to pay a maintenance fee, is held unenforceable, is found invalid, is statutorily disclaimed in whole or terminally disclaimed under 37 CFR § 1.321(a), has all claims cancelled by a reexamination certificate, or is otherwise terminated prior to the expiration of its statutory term as presently shortened by any terminal disclaimer, except for the separation of legal title stated above.

Dated this 19th day of December 2005.

Respectfully submitted,
